STIRRING STORY

By Rex Beach is to Appear in the Telegram at An Early Date.

"The Silver Horde," Rex Beach's stirring story of the great Northwest, has been secured by the Telegram and the first installment will appear in an early issue.

The breath of the wild northwest is in this great story of love and life and hate and death. Rex Beach and Jack London have revealed the hidden mysteries and romances of the Alaskan wastes as have no other authors, and in this stirring, gripping narrative is shown the best work of Mr. Beach's career. Boyd Emerson and his superhuman efforts to win a fortune for the woman he loved; Cherry Malotte, the captivating, ener-

getic young woman who combated desperate men on the battleground of their own choosing; Mildred Wayland the imperious beauty and society favorite, whose hand was sought by bitter rivals who did not stop at murder; George Balt, the sturdy fisher hero, whose voice was like the roar of giant waves on a lee shore; "Fingerless" Fraser, whose quaint humor alone prevented him from going to jail, where he really belonged; and Willis Marsh, unprincipled intriguer and a betrayer of men and women—these are some of the characters and elements that make this story one of the greatest tales of adventure ever written.

BUTCHER IS FINED.

Barton White, butcher, was fined \$2 and costs this morning in police court for maintaining a nuisance in the rear of his shop on West Main street. He paid the required amount. The case was prosecuted by the city health officer.

PAINT ADULTERATED TO PER CENT

Devos knows what the paint is all made of, you know; he has to. In Wilson, N. C., are two dealers. One of 'em thinks he can't sell paint for more than \$1 a gallon; the other won't have such stuff in his store—sells Devos lead-and-zinc, of course.

The \$1 paint is adulterated 76 per cent; Devos is all lead and zinc and linseed oil, with a little good dryer as possible. A gallon Devos has in it a little more paint than four gallons of the other. A gallon Devos will cover as much as four of the other. Who wants to pay wages for painting four gallons for one?

How much is Devos lead-and-zinc worth in that town?

WE ARE GLAD TO RECOMMEND ROOT JUICE

BECAUSE ITS GREAT MERIT IS BEYOND QUESTION SAY GROVES AND HAGGERTY.

We are very glad to recommend Root Juice to the people of this locality, as we personally know of many astonishing cures it has made. The great merit of the remedy is beyond question. Graves & Haggerty, the druggists who have the agency at this point, said that they never sold a medicine that gave such general satisfaction, and that dozens of local residents gladly gave testimonials. Unsolicited. Many of our oldest and most respected citizens are praising Root Juice, because, after a short use of it, their appetite improved, their sleep was more refreshing, their nerves were settled, their kidney ceased to bother them at night, back pains and rheumatic pains no longer made life miserable, and their general health was improved in every way. The combination of roots and other ingredients of which Root Juice is made certainly has a wonderful soothing, healing and tonic effect on the stomach, bowels, bladder, liver and kidneys. Many who have suffered for years with catarrh of the stomach and bowels, gastric ulcers and other causes of bad digestion, have called at the drug store to say that a few bottles of Root Juice has completely cured them.

HAS NARROW ESCAPE.

MORGANTOWN, Sept. 5.—Tony Catta, a small boy, climbed a tree in the rear of a garage. An electric light wire ran through the branches. A broken insulator gave the lad the benefit of the current. He released himself by swinging his full weight on the imprisoned hand, and dropped to the ground. A hand and an arm were severely burned.
